

Specialty Ram Systems

Specialty rams are designed to provide adapted pumping solutions to unique customer applications in sanitary and industrial environments.

FEATURES

- Packages capable of pumping from 5 gallon pails, 55 gallon drums, palletized drums, and custom containers.
- Plates designed with inflatable wiper seals to allow for fast change-out of containers.
- Packages fully assembled and tested prior to shipment.

TYPICAL APPLICATIONS

- Transfer and supply of low to medium viscosity fluids

Portable sanitary single post ram with mechanical safety stop and pneumatic control box

Sanitary rotary ram system with mechanical safety stops

Portable sanitary heated ram system with electro-pneumatic controls, mechanical safety stops and low level
